

The Polk County School Board will not tolerate bullying or harassment. Mulberry High School has initiated an anonymous reporting system for students in which they can feel safe in reporting physical, verbal, emotional, sexual, and cyber bullying. This link is for parents, students and staff who wish to report bullying. This may be accomplished by calling or emailing the assistant principal Lori Leverett or the dean of students LaSabra Patterson. Ms. Leverett handles students in the 9th and 12th grades, while Mrs. Patterson handles those students in the 10th and 11th grades. You may remain anonymous by calling on the phone, or you may come in and fill out an anonymous reporting form. By working together, we can make our schools and community a safe haven for all stakeholders.
