

Full-time Virtual Public School Students

Eligibility

Section 1002.45(5), Florida Statutes, limits student eligibility for the district virtual instruction program to students residing within the district who meet at least one of the following conditions:

- (a) The student has spent the prior school year in attendance at a public school in this state and was enrolled and reported by a public school district for funding during the preceding October and February for purposes of the FEFP surveys.
- (b) The student is a dependent child of a member of the United States Armed Forces who was transferred within the last 12 months to this state from another state or from a foreign country pursuant to the parent's permanent change of station orders.
- (c) The student was enrolled during the prior school year in a school district virtual instruction program under this section or a K-8 virtual school program under Section 1002.415, Florida Statutes.

Expectations

1. Students must participate in all required state and district testing programs.
2. Students will be required to meet and maintain all enrollment requirements: current vaccination records, proofs of residence, etc.
3. Students must have a parent/guardian available at home with them to serve as the student's learning coach and contact for the virtual staff.
4. Students will need to spend four to six hours on schoolwork each day. Daily attendance is required in the virtual public school. Attendance is determined by daily submission of assignments and computer access time.
5. Students will be required to comply with all state and district mandates (e.g. promotion requirements, FCAT testing, remediation expectations, etc.).
