

Welcome !!!

Welcome Back CHURCHWELL STARS

Welcome !!!

A word from the principle:

As another year begins, I want to take this opportunity to welcome all of you to Churchwell Elementary. I am excited about the possibilities and opportunities that this school year will bring. The staff and I will always be here for you as we work together to do what is best for your child.

One of our biggest concerns will always be the safety of the students. Therefore, we have had to make a few changes. With guidance from the district office, we are asking that parents only walk students to class the first week. By the end of that time, all students should be able to find their classrooms. We will certainly have enough staff members and patrols to make sure that they get safely to their rooms.

In order to make the afternoon car rider plan go as smoothly as possible, we will be assigning families who go home in cars a NUMBER to hang from their rear view mirror. This is a change from the way we have done it in the past, and know that it may take a little getting used to. Remember, this is being done to better ensure the safety of your children and we greatly appreciate your patience and willingness to follow the new car rider guidelines.

As in the past, all visitors to the school must stop in the office to sign in. You will need your driver's license to use as ID for the Visitor Tracking System. No one will be allowed in the school without the printed picture ID sticker.

I want to thank you in advance for all of the love and help you will give your child this year. I just believe that this will be the best school year yet.

If you have concerns about any aspect of your child's schooling, feel free to contact your child's teacher or me.

Sincerely,
Betty Fitzgerald
Principal of Churchwell

Things to know to start the year:

- Be on time each day. School starts at 8:05 each morning.
- Get a good nights sleep. Sleepy students don't retain what they are learning.
- Eat a healthy breakfast every day. Hungry students don't focus on school work.
- Come prepared to work. Bring your school supplies and any homework
- Don't put off your work. You should be doing your homework each night.

Join the PTA Today:

It only cost \$4 per person and a portion of that money is used for our school.

This year students have a chance to be rewarded when they get their families involved. Each grade level will be having a competition between classes. The class with the highest percentage of students who's families join PTA will be rewarded.
