Get to know your PTA President

Hello, my name is Jennifer Antoszewski, this year's PTA President. I would like to welcome everyone back and invite you to become an active part of Churchwell.

First, let me tell you about myself, I have 3 children here at Churchwell, Terence- 3rd grade, Rachel 2nd, and Benjamin is now in kindergarten. I have been actively volunteering at the Churchwell since Terence began school. I have been on the SAC and DAC committees as well as the PTA. It is a great honor to serve as this year's PTA President. I am looking forward to supporting Churchwell through this role. I believe that being an involved parent at Churchwell improves all of the children's school experience. I enjoy spending my time making Churchwell a great experience not only for my children but for all Churchwell stars. You can be apart of making Churchwell a great school by getting involved through the PTA. There is something for everyone! I encourage all family members reach for the stars, and be active with here at Churchwell.

This year the PTA has some great things planned for the staff and students. In order to do this we need your help. Joining PTA is a great start to getting involved, and 25% of your dues are given directly back to the PTA for use right here at Churchwell. As an incentive to join, we are having a little contest. The classes with the highest percentage of PTA members will win a snow cone party!

Thank you in advance for your support of the Churchwell PTA.

Jennifer Antoszewski

We are Looking Forward to a Great Year!
