

# ESE FAQ's

Hi everyone! Earlier in the month Sabrina and I met with Nancy Woolcock, Asst Superintendent for Support and Learning in Polk County, and we are working on creating a parent friendly ESE web page on the school board website. One of the ideas that Sabrina and I came up with was including a Frequently Asked Questions and Answers section or FAQ's. This is your opportunity to help us create that. As a parent to a child with special needs, what kinds of questions do you think would be most helpful to you?

Please submit questions to me [nikki73170@aol.com](mailto:nikki73170@aol.com) or Sabrina [lsjcmcd@yahoo.com](mailto:lsjcmcd@yahoo.com) So that we can begin compiling a list. Thanks so much for being a part of helping to make things better.

Take Care,

Nicole
